

STAY HUB

Find Your Ideal Stay, Anytime, Anywhere.

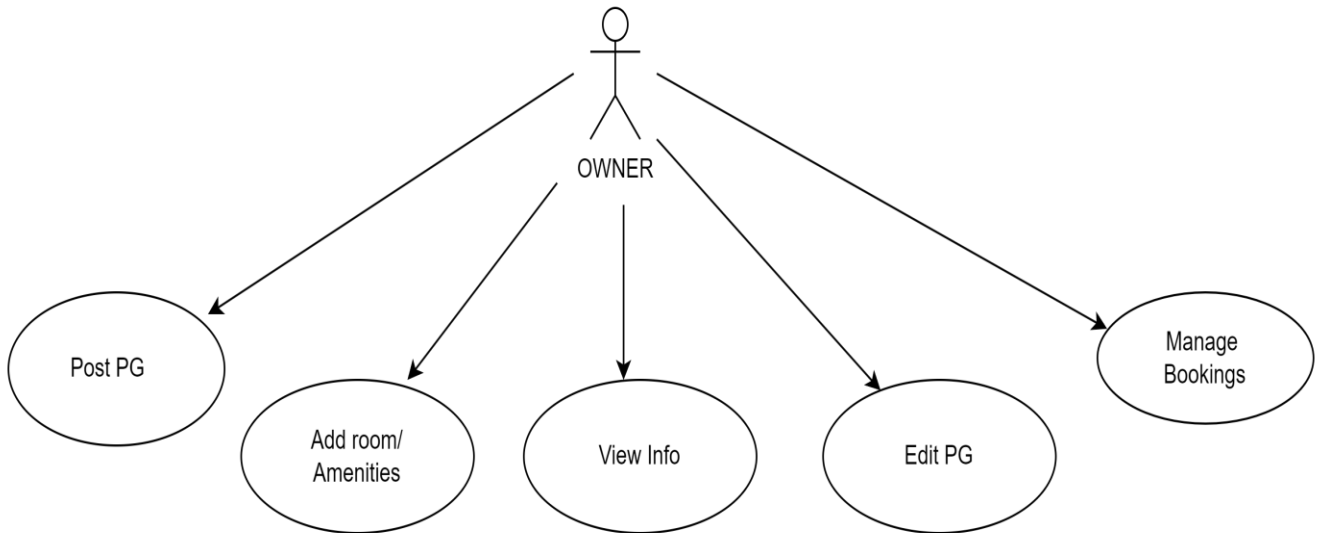

- **Stayhub** is a simple, user-friendly platform for finding and booking nearby PG (Paying Guest) accommodations. PG owners can register, post their listings, and update room availability, providing accurate details for potential tenants. Users can browse PG options, book rooms, leave reviews, and directly connect with PG owners. By streamlining the search and booking process, Stayhub connects people with the ideal PG quickly and easily.
- Functional Requirements -
 - User Registration & Login
 - PG/Hostel Listing
 - Search and Filtering
 - Booking System
- Non-Functional Requirements-
 - Usability
 - Performance
 - Compatibility
 - Maintainability
 -
